

How to find us

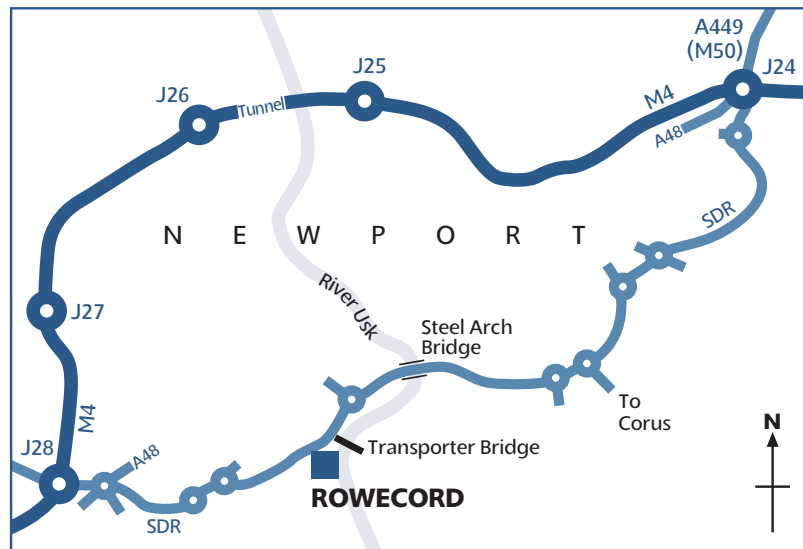

We are based in the city of Newport on the River Usk at the foot of the well known Transporter Bridge – a landmark for our site.

From the East

- Leave M4 Junction 24
- At the junction roundabout take the first exit on the left, sign-posted "industrial area"
- Remain on this Southern Distributer Road (SDR) through four roundabouts and cross the river on the steel arched road bridge
- Following the bridge, continue on the A4042 signposted "Docks, Pillgwenlly and Transporter Bridge"
- Turn left at the cross-roads immediately after the Transporter Bridge

From the West

- Leave M4 Junction 28. Head East towards Newport Docks
- At the first roundabout take the second exit to Newport Docks (Docks Way)
- Proceed to the next roundabout and turn right
- Take the right hand filter lane through the crossroads into Rowecord
